

REISSUE APPLICATION DECLARATION AND POWER OF ATTORNEY

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name.

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is described and claimed in patent number 6,435,738, granted August 20, 2002, and for which a reissue patent is sought on the invention entitled:

DEVICE FOR ADJUSTING AN OPTICAL APPARATUS

the specification of which (check only one item below):

☒ is attached hereto and was amended

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended.

I acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations § 1.56(a).

I verily believe the original patent to be wholly or partly inoperative or invalid, for the reasons described below.

☐ by reason of a defective specification or drawing.

☒ by reason of the patentee claiming more or less than he had a right to claim in the patent.

☐ by reason of other errors.

At least one error upon which reissue is based is described below. If the reissue is a broadening reissue, such must be stated with an explanation as to the nature of the broadening.

The claims in Letters Patent No. 6,435,738 are insufficient because they do not cover an apparatus for fixing of an Optical Apparatus in which the device for fixing the guide rail includes a head (12) which is spring-biased against the second member (6), and a lever (9) which is pivotally supported on the head (12) and has one of its ends cooperating with the second member (6) and having a profile that provides for displacement of the second member (6) relative to the first member (5) under action of spring forces.

Support for the foregoing features is found in the original specification at Column 1, Lines 61-68, Column 2, Lines 1-19.

All errors corrected in this reissue application arose without any deceptive intention on my part.

POWER OF ATTORNEY: As a named inventor, I hereby appoint the following attorney(s) and/or agent(s) to prosecute this application and transact all business in the Patent and Trademark Office connected therewith.
